FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2422

December 1, 2009

SUMMARY OF BILL: Defines gun show as an event where 50 or more firearms are exhibited for sale or transfer and where no fewer than 20 percent of the vendors are gun show dealers. Creates a Class A misdemeanor for any person to organize, plan, promote or operate any gun show unless the Tennessee Bureau of Investigation and chief law enforcement office in the county are notified of the date, time and location of the gun show; for a promoter to not verify the identity of the dealer and retain a signed ledger of all dealers for one year; or for an unlicensed person to transfer a firearm on the premises or within 1,000 feet of a gun show.

ESTIMATED FISCAL IMPACT:

Increase State Revenue – Not Significant

Increase State Expenditures – Not Significant

Increase Local Revenue – Not Significant

Increase Local Expenditures – Not Significant

Assumptions:

- Requiring gun show promoters to notify law enforcement prior to a gun show event will not generate additional expenses to the state or local law enforcement agencies.
- There will not be a sufficient number of prosecutions for state or local government to experience any significant increase in revenue or expenditures.
